## Subscriptions

The annual subscription rates for 2010 are given below. After a 5 year freeze, subscription rates will rise with effect from January 2011. It is hoped to make no further increase in the next 5 years. The new rates are also given below.

	<u>2010</u>	<u>2011</u>
Overseas Service pensioners (or those with deferred entitlement)	£18	£25
Associate members	£10	£15
Widows and wives of members	£10	£15

Members living outside Europe are asked to pay an additional £2 per year for airmail postage of the magazine to avoid delay or non-delivery.

Overseas Service pensioners and widows can have the subscription paid by deduction from the pension if paid by the DFID or the Crown Agents Bank. Otherwise payment can be made by Banker's Order, or by sterling cheque (or bank draft for persons overseas). Payment to be made to OSPA. We regret that we cannot accept credit cards, nor Direct Debit (these would require much more complex computer capacity and banking arrangements).

Subscriptions are due on 1<sup>st</sup> January each year.
